Nursery Fees for Children Over 3 Years Old

When your child turns three years old, the over 3 year old rate will become applicable, one month after their 3rd birthday.

All children over 3 years old are entitled to a maximum of 15 hours of nursery education funding (NEF) for 38 weeks of the year. This applies until they reach compulsory school age (the term following their fifth birthday). Currently we are offering the full 30 hours of nursery education funding on a case-by-case basis and whether the Parents meet the eligibility criteria as set out by the Government. Please speak to the nursery to find out more.

For the 15 hours of funding (Universal Funding for all); Your child is eligible for the "over 3 year old rate" and the nursery education funding fee rate combined when they are:

- 3 years old by 31 March, they will be eligible from 1st April (Summer Term)
- 3 years old by 31 August, they will be eligible from 1st September (Autumn Term)
- 3 years old by 31 December, they will be eligible from 1st January (Spring Term)

Above are official cut-off dates. Therefore if your child's birthday, for example, is on 1st January and the new term started on 5th January, their funding will not start until the Summer Term because they have passed the cut-off date of 31st December.

If your child attends another nursery and is offering you 15 hours of the nursery education funding, then we can discuss funding options and what is available to you. If the child only attends Nurture Day Nurseries then we will manage the nursery education funding process.

Incorporating the Government Nursery Education Funding Into the Monthly Fee:

The nursery education funding entitlement is for 38 weeks; however our fees are calculated per calendar month. The invoice will detail what elements are eligible for the Nursery Education Funding and will ensure each family still receives their correct 38 week entitlement.

We can discuss your individual fee structure during the registration and enrolment process.

Childcare Vouchers:

Nurture Day Nurseries Ltd are affiliated to and accept most of the Childcare Voucher Schemes offered by employers.

Before informing your childcare voucher provider of our details, ask us for our membership number as we might already be registered with that company and it will save duplicate accounts being setup.

Fees are to be paid by the 28th day of every month; this covers the child care for the following month.
